This message is to request that you please post the following notice on your STA 106, CRN#: 53065 Smart site for Summer Session 1 2013, and make the same announcement in class as soon as possible.

The Student Disability Center asks that students interested in serving as paid notetakers for this course please contact Russ Zochowski at rjzochowski@ucdavis.edu. Notetakers are paid a stipend of $25 per unit, but must have a social security number in order to be paid. Students are asked to put notetaker, the course title, number, and instructor’s name in the subject lines of their emails. Their information will be passed along to the SDC student in need of notes, and if they are interested they will contact each student accordingly.

Thank you in advance for your time and consideration

Russ Zochowski, Disability Specialist
Students with Medical, Mobility, Visual and Hearing Disabilities
Student Disability Center
